The 2025 Hino 700 Series FS 2848 is a true heavyweight built for demanding work without compromising on driver comfort or safety. Powered by Hino's proven 480hp E13C-BK engine and paired with the smooth 16-speed ZF TraXon AMT, this 6x4 rigid handles steep climbs, heavy loads, and long days with ease. Whether it's tipper work, construction, or regional haulage,...
